Thank you all for supporting the event either by riding or helping. To promote a successful event you need quite a few helpers and once again Ann and I are really grateful for have so many willing volunteers not just from our own club but also from other Association clubs too, so many thanks and much appreciation to you all.

In time honoured tradition the ESCA season got underway with the Association President starting at number 1 and leading the way for another successful ESCA season. Riding the Hardriders event for the first time, Robert Downham said the course wasn't as hilly as he was expecting!

Congratulation to all the prize winners, and as I seem to say each year especially Peter Tadros for once again taking the honours as fastest overall and fastest hill prime. As Pete himself said he's not getting any younger so I wonder if he's keeping the saddle warm for Theo who seems to be following in his father's footsteps by taking the juvenile prize today.

We were delighted to have our club photographer Bob Taylor out on the course snapping the action once again and his photographs will be available to view or download in the next day or so from the Eastbourne Rovers Facebook page www.facebook.com/roverscycling or the ESCA Facebook group www.facebook.com/groups/EastSussexCA

Keep up to date with what's going on with time trialling in Sussex ...

There are a range of competitions run by local Associations so, if your club is affiliated, and you're riding ESCA or SCA events, the chances are you'll automatically be included in a competition that you might not necessarily be aware of! Why not take a moment to familiarise yourself with what's on offer for individual riders and their affiliated clubs to add a bit of interest and friendly rivalry between riders and clubs. Regular competition updates, and a whole lot more, are posted throughout the season on the Association websites and Facebook groups
