Arctic Tacx RT

Well done everyone it was a good day on the course which was reflected in the times people turned out, a very well done to Team Arctic Tacx RT for winning and setting a **new course record of 00:51:39** for a 3up TTT.

I really feel for the 4T+ team as Nick Dibble was unwell and his two team mates Nick Mallins and Peter Chard continued riding most of the course with just the two of them in 55:36, I am sure they will be back next year to finish on the podium.
